

*Fresh • Seasonal • Local*

*Everything cooked fresh in house*

Your host, Gemma, is a self-confessed taste-a-holic who, from age 8, has dabbled in the world's major culinary cuisines as well as enjoying her own family's Italian & British classics.

We proudly source our meats from Mount Magnet Meats - practically next door, and the best in the west!  
Kent makes all his own small goods, pies, sausages and more.
